Commissioner:

This terminal disclaimer is being filed in response to the telephone interview with the Examiner dated August 30, 2006, in which the Examiner has indicated that Claims 1-34 and 36-37 will be rejected under the obviousness-type double patenting as being unpatentable over Claims 1-19 of the copending U.S. Patent Application No. 10/952,894.

Applicants are filing this terminal disclaimer in compliance with 37 CFR § 1.321(c) and therefore request that the rejection of Claims 1-34 and 36-37 under the doctrine of obviousness-type double patenting be withdrawn. The terminal disclaimer is being filed only for the purpose of advancing prosecution of the application, and as such, should not be taken as an admission of obviousness. Applicants believe that the application is now in condition for allowance and earnestly solicits an early issuance of a Notice of Allowance.
